FALL 2012

2012 National Convention Update

This past July 29-31, members traveled to Burlington, Vermont to represent the Alpha Zeta Chapter of Alpha Gamma Rho at the 62nd National Convention. This year's theme was: "Pure - 100% pure opportunity." National conventions are held biennially with previous conventions being held in St. Louis, Missouri. and Kansas City, Missouri. This was the first time a national convention was held in the Northeast. Undergraduate members included: Reagan Kays, #1636, Logan Britton, #1644, Jeff Cather, #1661, Eric Noel, #1663, and Will Longinaker, #1684.

The alumni members who attended were Ron Hirst, #595, Roger Johnson, #607, Doug Weyer, #683, Michael Smith, #922, and Tim Luginsland, #1012, as well as our chapter advisers Josh Roe, #1413, and Peter Tomlinson, Alpha Nu - Connecticut.

During the convention, our members attended sessions to conduct fraternal business, listened to panels discussing agriculture from leaders and professionals, and participated in ceremonies highlighting chapters for their hard work and efforts. They also ventured to tourist and interest spots in the area.

Panels included discussions of the past and future of land grant colleges, an overview of Northeast agriculture and regional and national opportunities and implications in regards to food production. Two new board members were elected to the national board of directors and three brothers were inducted into the AGR Hall of Fame. In one session of the convention AGRConnect was unveiled. This new online resource serves as a platform for new member education, officer training and alumni connection.

While in Burlington, members were able to see some of the diverse agriculture in Vermont. On Sunday, there was a dinner cruise aboard the Spirit of Ethan Allen III on Lake Champlain. Monday, we were taken to a local nursery

Alpha Zeta Undergraduates and Alumni at a Social During the 2012 National AGR Convention. From Left to Right: Peter Tomlinson, Alpha Nu-Connecticut, Reagan Kays, #1636, Ron Hirst, #595, Will Longinaker, #1684, Josh Roe, #1413, Logan Britton, #1644, Jeff Cather, #1661, Roger Johnson, #607, Eric Noel, #1663, Doug Weyer, #683, Michael Smith, #922, Tim Luginsland, #1012

Alpha Zeta undergraduate delegation with Doug Weyer, National Board member. From Left to Right: Eric Noel, #1663, Logan Britton, #1644, Doug Weyer #683, Jeff Cather, #1661, Will Longinaker, #1684, Reagan Kays, #1636

Two of our undergraduates Reagan Kays, #1636, and Logan Britton, #1644, received the 2012 Undergraduate Achievement Award.

where Vermont businesses exhibited their products while we enjoyed roasted hog and chicken.

At this convention, Alpha Zeta received a handful of awards. As an undergraduate chapter, we meet all criteria in each of the seven categories of awards to be classified as a gold chapter. Alpha Zeta has been declared a gold chapter for 5 consecutive years. In addition, Alpha Zeta received the Highest Honor for Crescent - Best Series. Alpha Zeta's Alumni Corporation received the highest honor for the Alumni Corporation Award.

Logan Britton and Reagan Kays received the 2012 Undergraduate Achievement Award. This award is given to two undergraduates who excel in the areas of scholarship, leadership, citizenship, activities and fraternal involvement. This was a first for Alpha Zeta and a first that two from the same chapter received this honor. Roger Johnson and Doug Weyer were both recognized for their distinguished service to the fraternity.

I truly enjoyed going to national convention this summer. It was great getting to see multiple chapters in one location and celebrate the fraternity with hundreds of brothers and supporters. It was definitely a learning experience being in the Northeast and comparing their agriculture industry to that of Kansas and the Midwest. Many AGRs have become very successful in their careers and it was motivating seeing all of their accomplishments and active engagement. We definitely have some big shoes to fill. Convention reiterated the fact of how large and influential our fraternity is across our country and the world. Alpha Gamma Rho has and will continue to build better men and through them a broad and better agriculture.

We hope that you will join Alpha Zeta in 2014 for the next convention, which will be held in Indianapolis, Indiana.

Brothers Retire from Service at the National Level

Roger Johnson, #607, being recognized for his service to the HRT at the 2012 National AGR Convention

Doug Weyer, #683, being recognized for his service to the National AGR Board and as the Financial Vice President

Alpha Zeta has some of the best alumni in the country. This was evident at the 62nd National AGR Convention held this summer in Burlington, Vermont. Two of our brothers were recognized for their service at the national level. Roger Johnson, #607, took his experience from our chapter and served for four years on the Housing Resource Trust. He was recognized during one of the business sessions at the convention. Doug Weyer, #683, served at the national level for a total of six years as National Board Director for two years and National Board Financial Vice President for four years. Weyer was recognized at the convention banquet for his service. They both retired from service at the 2012 National AGR Convention.

From the Desk of Noble Ruler, Jeff Cather

Jeff Cather, #1661,
Noble Ruler

Greetings and Happy Holidays from Manhattan! Another semester has been completed, and with that, more AGR memories were made. With the Fall 2012 New Member class, we have eclipsed the initiate total above 1700. As we continue to initiate more members and grow numbers, our overall quality has grown too. This summer, five undergraduates traveled to Vermont for National Convention and two of those men, Logan Britton and Reagan Kays, came away with the

top awards given to undergraduates. In addition, Brother Garrett Lister was chosen to give the Fall Commencement Speech for the College of Agriculture. Freshman Denver Johnston is also serving Kansas FFA as a state officer, so there has been representation from all classes in leadership roles. Some activities this semester included; Homecoming with

the theme of "Hoots and Boots" and being paired with Chi Omega, the annual Rouletter date party, an Adopt-a-Highway clean-up, and volunteering for SWIPE Out Hunger. The biggest event this semester was our Founders' Day/Parents Day that took place on the weekend of the KU football game. It was a huge success and I thank everyone for attending. If you were unable to I attend, I encourage you to schedule it in for next year.

We had a great 2012 and expect nothing less in 2013. Sophomore Will Longinaker, from Randolph, Iowa, will lead our newly elected E-Council. The new council is full of fresh ideas and will undoubtedly continue to move in a positive direction. As always, we welcome visitors anytime and would like to see some faces around on a Wednesday evening for Chapter. It has been a pleasure serving as the 2012 Alpha Zeta Noble Ruler and I wish continued success to all Brothers.

*Fraternally,
Jeff Cather #1661, Noble Ruler*

Founders Day and Parents Weekend on October 6th

At Alpha Zeta we believe it is very important to have alumni visit the chapter house. A great venue for that to happen is Founders Day, held every fall. This year, we decided to host a Parents Weekend in conjunction with Founders Event. It has been a tradition to have Founders Day on the same weekend as the Kansas State vs. KU home football game. This year's event, held on October 6th, was very well attended and one of our best events in the past few years for the Alpha Zeta Chapter.

Kickoff for the KU game was at 11 a.m., and demanded that our activities start early in the morning. We kicked off the morning with a tailgate in Cat Town that included a continental breakfast for alumni, undergraduates and family. The new dean of the College of Agriculture, Dr. John Floros, also visited our tailgate. Before breakfast was served, the Alumni Board conducted a business meeting. Dr. Bob Broeckelman, #691, publically announced the launching of a capital campaign that had been in the silent phase until this October. The campaign is geared at paying off the current house mortgage, establishing a permanent scholarship program for undergraduates and to complete some immediate repair to the house. Also, a new president, Jerrod Westfahl, #1240, was elected to replace long time president Ron Hirst, #595. Under Hirst the Alumni Board has done many great things for the Alpha Zeta chapter and his leadership will be missed.

After enjoying the company of our fraternity brothers, family members and alumni everyone headed over to the game for kick-off. The chapter had purchased a group of tickets for the parents to sit together to watch the game. Also, many parents and family members were able to sit with their son and watch the game. We all

enjoyed a great victory with a score of 56-16 over the Jayhawks.

At the conclusion of the game, everyone made their way back to the house for a late lunch and the Mothers' Club Auction. The AGR moms prepared the over 40 items to be sold either through a live auction or silent auction. Our moms donate these gifts to the auction and all the proceeds go directly to the moms' club. They graciously use the funds to help purchase necessary items for the chapter house. Over 30

moms in attendance had their annual Moms' Club meeting in our library. Becky Morgan, mother of three AGRs and current president, led the meeting and auction. Ms. Damme was elected the new president of the club. Her son Will Damme-Loginaker was elected Noble Ruler this fall, needless to say, leadership runs deep in this family.

Over 200 people were present at the chapter house and were treated to a meal of pulled pork and sides made by Mary, our house cook. We had so many people that we didn't have enough room for everyone to sit down. To quote our house manager, Roger Johnson, #607, "That was the most

people we have had at the house in years." After the meal, we proceeded to the much-anticipated auction. Our very own Wyatt Schumann, #1695, served as auctioneer and added a great deal of humor to the sale. Shane Meenen, #1693, and Aaron Diederich, #1691 served as our ringmen. We were very happy to have such a great event and are looking forward to another great Founders Day in 2013 with Ben Brown, #1701, as VNR Alumni Relations.

Dates to Remember

• February 15-16 - Leadership School in Nashville

• April 20th - K-State Open House - AGR House Open

Our Success Is In Your Hands!

Dr. Bob Brockelman
*Chair of the Alpha Zeta
Capital Campaign*

Our capital campaign started with a kernel of an idea: retire debt, build scholarships, and complete priority renovations to strengthen the AGR brand at K-State. A band of key supporters – now numbering over 115 – has nurtured the concept and invested lots of their energy to bring us to within 70% of our goal of \$1.2 million.

On our 85th anniversary celebration this fall, the vision

was launched into the hands of all Alpha Zeta brothers, over 1,000 strong. Can you help the fraternity who helped make you a better man, by making a one-time gift or 5-year pledge to the campaign? Don't wait to be asked. Call me at 316-641-4598 with your charitable donation. You can also contact Kathy Benson with Ivy Partners at 585-734-2693 or Kathy@ivypartners.com. All size gifts are appreciated and will be publicly acknowledged. For more information on the campaign, go to www.ksuagr.org.

Fraternally,

Dr. Bob Broeckelman

New Leadership on the Alumni Board

Jerrod Westfahl,
 #1240
 Alpha Zeta Alumni
 Board President

"Is it sustainable?" We've heard that question, or a form of it, tossed around a lot in agriculture, business, and government over the last few years. No matter how you feel about it in those contexts, it is a relevant way for us to think about Alpha Zeta. We are in the midst of a tremendous upswing in our chapter, thanks to the efforts of many over several years, including my predecessor Ron Hirst. All the key parts are working well and working together.

Our undergraduate ranks are strong and impressive, our alumni engagement is as broad and deep as ever, and our brothers, no matter their age or location, are positively shaping their communities and industries. As we

think about the future, sustaining what we have going must be our focus. I challenge you the same way I challenge myself: Are you doing your part to make our chapter's success sustainable?

Contact me, or one of your Alumni Board members, any time with ideas that can sustain our success or to discuss how you can do your part. jerrod@purplewave.com or 785.341.6071.

Fraternally,
 Jerrod Westfahl, #1240, AZ Alumni Board President

Bio note: From Haven, Kan. originally, Jerrod joined the AZ chapter in 1993. He lives in Manhattan with his wife Amy (Moxley), and three young children. He is President/CEO of Purple Wave, Inc., a 70-employee equipment auction firm.

Alumni Biographies

Darren Gigot,
#1177, a 1990
initiate

A 1995 alumnus with a degree in Agricultural Economics, **Darren Gigot**, #1177, now lives in Garden City, KS. Darren has been employed by Feed Mercantile Inc. as a Grain and Feed Merchandiser since 2000. He constantly works with many producers and companies to keep a variety of industries supplied with a multitude of commodities. He accredits a large amount of his success to the connections he built at AGR. Darren also stays strongly connected to the community in Finney County as he serves on multiple councils.

He has mainly focused on the Beef Empire Days Rodeo Committee and the Horace J. Good Middle School Site Council. He enjoys giving input to both of these community groups.

Written By: Nick Herrmann, #1680

Kent Jaecke, #999,
a 1982 initiate

Kent Jaecke, #999, is currently living in Edmond, Oklahoma. He has a 12-year-old stepdaughter, Morgan and an eight-year-old son, named Brooks. Kent owns J-Bar Marketing which conducts 90-100 purebred sales per year. He is also a co-owner of Focus Marketing Group, which does photography, ad design, videography, Web design and livestock sale consulting. Focus Marketing Group conducted 250 online sales for different livestock producers during last year.

Written By: Garrett Kays, 1692

From Left to Right:
Josie, John, #1371
Zane and Katie
Kueser

John Kueser, #1371, graduated in 2002 with a degree in Animal Sciences & Industry production option. He worked for a local purebred Angus operation his first year out of college. Kueser returned to the family operation in the spring of 2003, where he eventually gained ownership in January of 2011. Kueser Ranch consists of a commercial cow calf operation with land operated on in Ellsworth and Lincoln counties. John also takes care of his wife, Katie's, father's cow calf herd. John's off the farm responsibilities include Ellsworth Federal Credit Union Supervisory

Board, El-Kan Saddle Club Treasurer and is a member of KLA, NCBA and WRCA (Working Ranch Cowboys Association). John and his wife Katie, who works for Elanco Animal Health in the beef division, enjoy raising their two children Josie (4) and Zane (1) as the seventh generation on the family homestead dating back to 1885.

David Laverentz,
#998, a 1982
initiate

David Laverentz, #998, has been Vice President of Finance and Administration for the Royals since 2009. Laverentz joined the Royals after working for one of the Big Four accounting firms in Kansas City, KPMG, where he worked as a senior manager in the audit practice. He previously had worked in the banking industry for 15 years after graduating from Kansas State University in 1985 with a degree in Agriculture. Laverentz also holds a master's degree in Accountancy from the University of Missouri-Kansas City and is a

CPA. Laverentz resides in Leawood, KS, with his wife, Delois, and their children, Daniel and Matthew.

George Teagarden,
#601, a 1963
initiate

George Teagarden was raised on a family farm in Linn County where he currently resides near LaCygne, Kansas and spends his time tending a herd of 150 fall-spring cows. Teagarden served as Kansas Livestock Commissioner for 16 years. He retired from that position in 2010. From 1981 to 1994, Teagarden served in the Kansas House of Representatives. He has also served on the Kansas Junior Livestock Show board since 1985. In 2008 Teagarden was awarded the KFB Distinguished Service to Agriculture award for his

leadership in agriculture. Of his time in AGR he says, "AGR taught me to meet and work with people to develop ideas for the betterment of the whole." George's son, Wade Teagarden, #1171, was also an Alpha Zeta AGR.

Written By: Jesse Page, #1699

Rob Thomas,
#1004, a 1982
initiate

A 1986 alumnus with a degree in Animal Science, **Rob Thomas**, #1004, now resides in Baker City, Oregon. Thomas and his wife, Lori, along with their children, Ty and Bryson, own and operate Thomas Angus Ranch. Rob served two-terms as an American Angus Association board member. During his tenure Rob served as chairman of Certified Angus Beef, and as a member of the Finance, Data Management and Industry Relations

Committees. His involvement with the Angus breed also includes serving as chairman of the Oregon Angus Association Beef Improvement Committee and a leader in the expansion of the Angus breed in Russia.

*From Left to Right:
Vickie, Lance, Jeff,
#1374, and Lacey
Winter*

Jeff Winter, #1374, graduated in December of 2002 with degrees in Agronomy and Agricultural Technology Management. Jeff and his wife, Vickie, also a K-State 2002 grad, currently partner with his parents on a diversified crop operation. They produce irrigated corn and soybeans, dryland corn, soybeans, sorghum, wheat and alfalfa in NW Sedgwick County, close to Andale. The Winters are finishing their two-year term on the KFB YF&R State Committee that Jeff chaired for the past year. As committeemen they organized the

KFB YF&R Leaders conference and did multiple community service activities. Jeff currently serves on the Sedgwick County Farm Bureau Board of Directors as Vice President. Vickie and Jeff along with Lance, 4, and Lacey, 2, look forward to the birth of their second son in January.

A special THANK YOU goes to Ron Hirst for serving as our Alumni President for eight years. His hard work and dedication throughout the years has been greatly appreciated.

Retiring Alumni President, Ron Hirst, #595, receiving a gift for all his service at the 2012 Founder's Day.

Obituaries

John R. Evans

John R. Evans, #594, age 68, died December 5, 2012 at Hospice House in Hutchinson. He was born November 7, 1944, in Hutchinson, to Richard L. Jr. and Alice C. (Gunn) Evans. John graduated from K-State in 1966 where he was an AGR fraternity member and came back to Hutchinson to farm with his father. He is survived by: wife, Gloria Evans; son, Mark Evans; daughter, Laurie Evans; mother, Alice Evans; sister, Marty Tokarchik and husband Ron; nephews, Jeff and Kevin Baumgarten; and 3 grandchildren.

The family requests in lieu of flowers, memorials may be sent to Hospice House of Reno County or Johnson Cancer Research Foundation Center at Kansas State University, in care of the mortuary. Please visit www.elliottmortuary.com to leave a condolence for John's family.

Dr. James Lynn Hourrigan

**Dr. James Lynn
Hourrigan, #137**

Dr. James Lynn Hourrigan, Col USA Ret., a research veterinarian who helped control animal diseases, died on March 27, 2012 at age 94. Born in Langdon, Kansas in 1917, Dr. Hourrigan began his education in a one-room schoolhouse. He graduated from Kansas State University College of Veterinary Medicine in 1940. For 39 years Dr. Hourrigan, #137, developed National programs for the Department of Agriculture. The American Veterinary Medical Association and other organizations and academic presses published his research. Dr. Hourrigan served on the Army Veterinary Corps in Europe during World War II, and he continued to serve in the Army Reserve until he retired as Colonel in 1973. His sister, Beulah Victory; his great niece, Brenna Wright; his great nephew, Shane Powers; and his stepdaughters, Sharon Kinzer and Jackie Craven, survive Dr. Hourrigan. He was interred at Arlington National Cemetery.

Published in The Wichita Eagle on April 1, 2012

A Tradition of State Officers Living at 1919 Platt

Alpha Gamma Rho is a social/professional fraternity with deep roots in agriculture. It is this incredible industry that we desire to pursue our careers in after graduation and is what we choose to study while here at Kansas State University. But oftentimes this industry is what gave us our start as well. Because of the nature of our house and the kind of men we are looking for, many of the members of AGR are from rural communities and backgrounds. Growing up in these communities many of us were exposed to youth programs that are related to agriculture, one of those being the FFA.

The National FFA Organization has played a key role in the development of many of our members in their high school years, and it continues to do so even now. The Alpha Gamma Rho Alpha Zeta Chapter has had a huge tradition within the FFA organization and Kansas FFA Association. Many of our members have held various leadership roles in their local chapters, districts and even on the state level! The National FFA Organization's motto states that as a member we are "Learning to Do, Doing to Learn, Earning to Live, Living to Serve." It's this motto that sets us up for success here in college and into our future careers.

Members of Alpha Gamma Rho have been a huge part of

Past State officers and one current state officer living in Alpha Gamma Rho Fraternity. From Left to Right: (Back) Cole Smith, #1671, Jeffrey Cather, #1661, Garrett Lister, #1617, (Front) Andrew Strasburg, #1625, Nathan Laudan, #1669, Denver Johnston, #1690

as Kansas FFA State Secretary in 2004-05. A pair of official FFA suspenders that has the pin number of every AGR member who has been a state officer since that time has been handed down and currently is worn by Brother Denver Johnston, #1690, serving as State Sentinel for the 2012-13 term.

The FFA has been an instrumental role in the development of many of the men who have lived in the Alpha Gamma Rho Fraternity. It taught us many principles and key values that will stick with us as we go through college and start our careers. Thank you to the FFA organization for allowing us to carry your legacy and build a brighter future for Alpha Gamma Rho.

Advisor Report – Fall 2012

Dr. Peter Tomlinson,
New Alpha Zeta
Chapter Advisor

As the fall semester draws to a close I find myself reflecting back on my first year being part of the advisor team at Alpha Zeta. Highlights from this past year include attending the 2012 National Convention of AGR in Burlington, Vermont, participating in the Founders Day and Parents weekend activities and being a part of a successful officer transition as the newly elected chapter officers begin to take over the operations of the chapter. While October marked my one-year anniversary at K-State and as a resident of Kansas this past year was not my first involvement with Alpha Zeta. I worked on the AGR home office staff as a chapter consultant from 2000 to 2002 working with chapters around the country including Alpha Zeta. During the past 12 months I have renewed a number of AGR friendships, one of those being with one of the other chapter advisors, Josh Roe, who invited me over to the house for dinner several times in the spring and introduced me to the Chapter. I expressed an interest in becoming more involved with the chapter and it was shortly after, that the chapter and alumni board voted to bring me on as an additional chapter advisor. I look forward to the opportunity to be a resource and mentor for the chapter in the coming years.

By way of introduction, I was born in Missoula, Montana and grew-up about 45 minutes south near the town of Stevensville until the age of 10 when we moved to West Hartford, Connecticut. Beginning in Montana and continuing in Connecticut I was involved in 4-H and had numerous projects

including woodworking, sheep and cattle. My 4-H involvement with livestock, naturally lead to my decision to major in Animal Science when I enrolled for college at the University of Connecticut. It was during the summer between high school and college that I was contacted about Alpha Gamma Rho and invited to the house for a visit following summer orientation. I was initiated at the beginning of the fall semester of 1995 thus beginning what has been one of the greatest experiences and opportunities in my life. My involvement in AGR has been diverse. As an undergraduate I held several chapter leadership positions and served as an undergraduate director on the National Board. Since my time on staff I have continued to be involved as an alumni volunteer at recruitment school and at national conventions.

Following my two years on the AGR staff, I began graduate school in the Crop, Soil and Environmental Sciences Department at the University of Arkansas and during the next 9 years completed my MS and Ph.D. in soil ecology and worked full time as a program assistant. After completing my Ph.D. requirements in September of 2011, I joined the Department of Agronomy at K-State as an assistant professor and extension specialist for environmental quality. My extension and research program focuses on soil, water and air quality.

In closing, I would like to thank the chapter and the alumni for the warm welcome I have received since I have been in Manhattan. If you have any questions about the chapter or environmental quality issues please feel free to contact me either by email ptomlin@k-state.edu or phone (785) 532-3198.

Fraternally,
Peter Tomlinson
Chapter Advisor

Two AGRs Contribute to Fourth Crops Team National Championship

In November, the Kansas State University Crops Team won a national championship for the fourth year in a row. The team has a very strong tradition with winning 11 of the past 14 years. On the road to being named national champions, they won the Chicago CME Group and Kansas City Board of Trade Collegiate Crops contests.

Kansas State placed at the top in both competitions in the plant and seed identification and grain grading components of the competition. They also took home the second place trophy in seed analysis component. Alpha Zeta Brothers Andrew Scherrer, #1645, Matheson, CO and Michael Welch, #1638, Haddam, KS both competed on the team. Andrew Scherrer was high individual at the Kansas City

The K-State 2012 national champions crops judging team, winning their fourth straight title. Brother Michael Welch, #1638, is second from the left in the back row and Brother Andrew Scherrer, #1645, is in the back row far right.

Competition and third overall in Chicago. At the Kansas City contest he placed first in identification and second in both seed analysis and grain grading. At the CME contest, Andrew placed third in seed analysis and fifth in grain grading. Brother Welch came in fifth in Kansas City by placing third in grain grading, fourth in seed analysis and fifth in identification.

Dr. Kevin Donnelly, professor in Agronomy, coached the team.

For their performance, the team received a team scholarship award from the competition sponsors at Kansas City. The

CME Group provided individual scholarships to the top five students.

Alpha Zeta Chapter Awards

Several years ago the alumni decided to recognize the outstanding undergraduates each year. These chapter awards are presented in the fall, before the next year's officers are elected.

Every year a plaque is given to the Noble Ruler for his year of service to the fraternity. Jeff Cather, #1661, of Anthony, KS received this award for his service.

The "Letter to Garcia Award" is given each year to an E-council member. Each year I give the E-council a short story about a man who is given as assignment by U.S. President McKinley during the Spanish American War. He is to deliver a letter to General Garcia. Without asking how, or being told how to accomplish this, and against great odds and deplorable conditions, he accomplished the job and returned to answer to the President. This year's recipient is Reagan Kays, #1636, of Weir, KS who served as VNR Alumni Relations. He has ably performed his assignments, taken responsibility for his office, published two

"From Left to Right: Nathan Laudan, Rising Star Award for Representing AGR; Jeffrey Cather, Noble Ruler Award; Reagan Kays, Letter to Garcia Award; Ashton Yoder, Rising Star Award for Service to AGR"

excellent "Crescents", won Most Outstanding Undergraduate at the National AGR Convention, and orchestrated the most attended alumni event in years - the 2012 Founders Day.

Two "Rising Star Awards" are given each fall. The first goes to an undergraduate who has shown exemplary leadership through service to the AGR chapter and its members. He is willingly helpful when asked and looks for opportunities of service even without being asked. This award went to freshman Ashton Yoder, #1700, of Garnett,

KS. The second award is presented to an undergraduate for his distinguished representation of AGR through on-campus involvement at KSU and across the state of Kansas. Brother Nathan Laudan, #1669, of Paola, KS received this award for his involvement at KSU and leadership as a State FFA Officer.

It is a great pleasure and honor to present these awards to these deserving members.

Fraternally, Roger Johnson, #607, AGR Alumni Property Manager

RECRUITMENT RECOMMENDATION

Alumni are an integral part of Chapter recruitment. With your help, AGR can recruit high-quality members that will continue the tradition of success that is held by the Chapter. Any information you can provide us is extremely helpful. During the spring, we may be contacting some of you to aid us in the recruitment process; look for further information at a later date.

From the Past Alumni President

*Outgoing Alumni
Board President
Ron Hirst, #595,
with his wife Bette*

I have attended the last 3 AGR National Conventions and have witnessed the positive impact of Alpha Zeta at each one of these events. From recruitment workshops, leadership seminars and our regional AGR event, held a few years ago in Manhattan. I would like to share some of my thoughts from being involved and networking with other alumni presidents, advisors, alumni and AGR leaders. This year I was asked to serve on the resolutions committee at convention.

This committee was able to introduce and the general body accepted a resolution that will enable more grass roots input to the National Board on a timelier basis for consideration.

There is one common denominator among the top 8 AGR undergraduate chapters in today's college fraternity environment. Every one of the best chapters have a strong alumni corporation/chapter not only behind them but working in unison with the undergraduate programs. The working relationship and communication between the alumni chapter and undergraduates is closer than what I remember as an undergraduate. At Alpha Zeta's alumni board meetings, the E-Council is present and has a report.

They are able to ask questions and discuss the areas that are of interest to them. This communication in today's society is reaping the benefits of a strong undergraduate chapter. The E-Council at least can understand where we are coming from in both money and property matters.

The undergraduates want the alumni, all alumni not just the board, to attend functions such as Pink Rose, Founders Day and when in town to come by the House to meet them. They also would like you to visit Chapter night, have dinner and speak about your vocation and what AGR meant to you. Please contact them, an advisor or board member to schedule your visit.

I am proud to say that Alpha Zeta has a great alumni base and alumni board that care deeply enough to provide the means, time and funds, to provide the important facility we own and carry on the programs to train our next leaders in not only agriculture but any endeavor they participate.

As we are in this capital campaign to eliminate the present mortgage, establish an endowed scholarship, continue funding yearly scholarships and establish a war chest for improvements, please consider helping keep Alpha Zeta the most respected fraternity on KSU's campus and in the top AGR chapters in the nation. With your individual help, financially and personally, we can do this.

Fraternally, Ron Hirst, #595

Register Now for Inaugural National AGR BBQ Competition

The Central Tennessee AGR Alumni Chapter, along with six undergraduate AGR chapters in the Tennessee & Kentucky region, are teaming up to hold the inaugural AGR National BBQ Competition on April 12-14, 2013 in Lebanon, Tennessee.

The BBQ teams will compete in pork, ribs, chicken and "anything goes." The winners will receive \$1,800 in cash and trophies. Both undergraduate and alumni BBQ teams are encouraged to enter. The registration fee for each five-man team is \$250, and this includes registration, T-shirts, several meals, access to utilities & showers, and admission to the big dinner and live concert on Saturday night. Also, teams can arrange for local alumni to purchase meat, ice, firewood and charcoal (for a separate fee) upon request.

An inaugural "AGR Olympics" event will also be held on Saturday afternoon, which includes a chapter rope pull competition; corn hole toss tournament; and an AGR Song competition.

Finally, there will also be a large fundraising dinner on

Saturday evening that is open to all AGRs and their guests.

The menu is yet-to-be-determined but will likely consist of BBQ and/or a low-country Cajun boil. Ticket prices will be \$15 and will include an after-dinner live concert.

The event will be held at the James E. Ward Agricultural Center (home of the Wilson County Fair) in Lebanon, about 30 miles west of Nashville. There are great facilities which include ample room for tent and RV camping (extra fee), plentiful trees, lots of shelters and great showers and restrooms. There are also hotels nearby.

To register or to get more information go to the website at www.agrbbq.com and "like" the Facebook page at www.facebook.com/middletnalphagammarhoalumni. If you would like to sponsor or volunteer for the event you can contact Co-Chairmen Chad Bradshaw at (615) 708-8307 (chadbradshaw@tds.net) or Robert Elliott at (865) 207-5513 (robertelliott922@gmail.com).

AGR Summer Fun Fest 2012 Report

The fifth annual AGR Summer Fun Fest was held in Hutchinson on July 20 and 21. Alumni and spouses gathered for lunch prior to the industry tour. Brother Randall Galle, '81, provided a very informative and

Members of Alpha Zeta Alumni Association getting a tour of the Hutchinson Salt Mine. From Left to Right: Keith Westervelt, Jeff Morgan, Justin Hagedorn, Bob Brockelman, Ken Smith, Ben Brent, Roger Johnson, Steve Slusher

interesting tour of Kuhn Krause. Brother Galle explained the Kuhn purchase of Krause Plow Corp. and explained the products they manufacture and showed us through the plant. They were just completing a 70,000 square foot

*Brother Randall Galle giving an informative and interesting tour of Kuhn Krause
From Left to Right: Steve Burgess, Randall Galle, Max Peterson, Terry Nelson*

building expansion. Kuhn Krause provides many small area companies the opportunity to contract product fabrication.

Next on the agenda was a trip to Brother John Evans Farm, Southwest of Hutchinson. Brother Evans, '63, was very gracious in explaining his large no till irrigation and

dry land farming operation along with his seed business. In addition to he explained how he controls his irrigation systems by radio from his office. John also told of his planning retirement. Everyone enjoyed seeing his equipment and hearing about his farming operation. Friday evening a meal was shared with the Brothers and a good time was enjoyed at the Anchor Inn in Hutchinson.

On Saturday morning the summer board meeting was held at The Ramada Inn. Reports were heard regarding the capital campaign, Founders Day plans, Mother's Club Auction, House Mother, options for refinancing the mortgage upon reducing the debt principal of \$200,000, Sayre Grant for 3I show next July, committee reports and other business. After enjoying the lunch at The Airport Steak House, brothers and guests met at the Underground

*AGR's touring Brother John Evans' farm
Southwest of Hutchinson, KS
From Left to Right: Terry Nelson, Randall Olander, John Evans, Sam Hands*

Salt Museum for a tour "down under" some 650 feet below ground. We heard an interesting presentation of the history of the salt formation. We also enjoyed train and tram rides through some of the mined salt caverns. Brother Sutton's camera work may have been seen in the Sickie and Sheaf as he won an award for displaying the AGR letters at an event.

We would invite all Brothers to attend the next AGR Summer Fun Fest, board meeting and industry tour. Plans are in the works for 2013 and if you want to help host a future event, please let us know. A thank you goes out to all the Brothers who attended the event and informing the board of your area of interest. Your input is valuable to the success of Alpha Zeta.

Fraternally, Ron Hirst, #595

Academic Excellence

Will Longinaker
#1684,
VNR Scholarship

As a chapter of Alpha Gamma Rho Fraternity, we strive to live by the promise and values of our fraternity. The third value is to "Inspire a pursuit of academic excellence among our members." This past spring semester we did just that by achieving a 3.05 all house GPA. This GPA is an impressive improvement from 2.80 GPA the previous semester. In the fraternity ranking we jumped from being ranked 19th to 11th in cumulative GPA. Our improved GPA put us over the *All University Average* and the *All University Men Average*. The improvement was

helped by Brothers Jeff Cather #1661, Austin DeZeeuw #1599, Reagan Kays #1636, Garrett Lister #1617, Cole Pearson #1597, Nathan Stinson #1686 and Michael Welch #1638, who all achieved 4.0 GPAs in the spring semester. In order to achieve academic success we have a key program called Study Hours. Our Study Hours Program is three hours of studying a night of four nights a week for a total 12 hours a week. All new members are required to participate in the program as well as old members with a GPA below a 2.8. We are working to continue our academic success, and have recently elected Brother Nathan Stinson, #1686, to be our VNR of Scholarship for 2013.

Fraternally,
Will Longinaker #1684, VNR of Scholarship 2012

"Petey" - Alpha Zeta's Mascot

We are in search of the date that our house mascot "Petey" came to us. We have traced him back to the mid-80s, but we would like to nail down exactly how old he is. He is still alive and well, and given to those Brothers who have the best stories. Any help you can give would be greatly appreciated.

If you have information, please contact me at the following email.

Fraternally,
Will Longinaker #1684, wwdl@k-state.edu

Please Attend Pink Rose on March 2nd!

All alumni are invited to attend the annual Pink Rose Formal which will be held on March 2nd at R.C. McGraw's, 2317 Tuttle Creek Blvd., Blue Hills Shopping Center, Manhattan, Kansas. We will be in the Blue Hills Room next to the main restaurant. This will mark the fourth year that the Pink Rose Formal will be a joint undergraduate and alumni event and we look forward to continuing the success.

A summary of events for the day is as follows:

- 5:30 P.M. – Socializing in the Blue Hills Room, cash bar
- 7:00 P.M. – Formal Dinner
- 8:00 P.M. – Guest Speaker
- 8:30 P.M. – Scholarship Awards
- 9:00 P.M. – Dance
