---

*December 2018 - January 2019*

Dear <<Salutation>> <<First Name>> <<Last Name>>,

The winter season has finally arrived. Whether that means traveling to visit loved ones, staying put, or finalizing last minute gifts, no doubt you are busy preparing for the big day.

It has been an eventful fall semester at the Alpha Zeta Chapter. From serving Christmas cheer around Manhattan through the Salvation Army Christmas Project, to the big Founders' Banquet in November, it is a year for the books. None of this would be possible if not for our generous alumni association and the Mom's Club, which supports the chapter both financially and physically.

With classes and finals now ended for 2018, there is much needed time to relax and recharge for the upcoming year. Brothers return home to states all across the nation, stretching from Pennsylvania to Oregon, and south to Texas. In a few short weeks, they will return for spring, 2019, a few for their final semester as a student at K-State.

I want wish you all a Merry Christmas and a safe, Happy New Year, wherever your plans may take you. Please reach out if you have any questions and be sure to visit our new website and social media pages!

Sincerely,

Morgan Scilacci

[Short Poem - "Thinking" Written By: Walter D. Wintle](#)

If you think you are beaten, you are;  
If you think you dare not, you don't;  
If you'd like to win, but you think you can't,  
It's almost a cinch – you won't.

If you think you'll lose, you're lost,  
For out in the world we find  
Success begins with a person's will;  
It's all in the state of mind.

Full many a race is lost  
Before ever a step is run;  
And many a coward fails  
Before the work's begun.

Think big and your deeds will grow,  
Think small and you'll fall behind;  
Think that you can and you will  
It's all in the state of mind.

If you think you're outclassed, you are –  
You've got to think high to rise;  
You have to be sure of yourself, before  
You'll ever win a prize.

Life's winnings don't always go  
To the stronger or faster man;  
But sooner or later those who win  
Are those who think they can!
